

laptop stand

Height Adjustable Laptop Stand Places laptop in a comfortable position. Stabilizing front edge prevents sliding while adjustable tilt customizes your viewing angle. Adjusts from 4-1/2" to 6-1/2" above desktop. Nonskid rubber feet. SmartStand improves ergonomics for laptop users— instant.

Key Features:

- Six gears adjustable setting position
- Relieves back, neck, and eye strain
- Brings the screen within proper viewing range
- Improves overall posture
- Provides a more comfortable typing position
- Cooling air circulates around the notebook for maximum performance & longevity
- Separable modules extend other supplement functions
- Integrate with 4-7 port usb 2.0 hub
- Compatible with most notebook PC

* The goal of ergonomics is to reduce or eliminate physical stress on the human body. When humans experience excessive amounts of repetitive stress, injury or disorder- such as carpal tunnel syndrome, back pain, and tendonitis - can occur. For instance, Degenerative Joint Disease in the cervical vertebrae(neck) can develop within three years, affecting anyone who uses a laptop. Proper ergonomics lower health risks.

Retail Package Dimensions

L x W x H	335 x 120 x 400mm
Weight	1.55kg
Unit Qty	1 Each

Master Case Dimensions

L x W x H	610 x 350 x 420mm
Case Weight	7.8kg
Case Qty	5 Each
CBM	0.08967

Shipping Information

First Available	Mass production: 12-22
Ship Date	days depends on the QTY
Country of Origin	CHINA
Warranty Period	1 Year

General Product Information

Color	WHITE、BLACK、GREY
MPC#	ID-U1
Package	Box & Foam
Productivity	10,000/Month
Certificate:	RoHS、CE & FCC
